

Southnet Trade Australia is the leading exporter of NSW onions. NSW onions fill a unique supply window between November and May.

Working with NSW Agriculture and leading onion producers Southnet has established production, grading and handling protocols to deliver the quality demanded by the most discerning markets.

Southnet onion farmers each have individual production over several thousands of tonnes. Onion types include mild, hard brown, red and white varieties.

Size gradings are Pickler (up to 35mm), Borderhouse (35-45mm), Jarrer (45-55mm), Small (55-70mm), Medium (70-80mm), Large (80-90mm) and Jumbo (above 90mm).

Shipping is by 40' reefer or hivent insulated fan forced container.
