

Southnet Trade Australia is the exporter for a number of leading manufacturers of stock, domestic and pet animal products.

Our location in the heart of Australia's largest and most diverse food and fibre producing region allows us to procure direct from farms and primary manufacturers. In most cases, products are processed and packed at grower owned facilities.

We have formulated extruded or pelletised stockfeeds made to order for all farm animals. Also an extensive range of domestic pet animal foods and maintenance products.

Pelletised stockfeeds bagged and bulk
Extruded dry dog food
